Proudly presents:

Woven History
Native American Basketry
Of The Clark County
Historical Museum

Editor: Julie Daly
Co-Authors: Mary Dodds Schlick, Arthur Erickson,
Mariana Mace, and Kaye Van Valkenburg

This first edition, 98 page, full color book features the basket collection of the Clark County Historical Museum. Each chapter highlights a different area of the collection, with the main focus on the West Coast of North America. Basketry experts discuss the culture of the Native weavers and the history and uses of each area's baskets. Full color photos of select baskets illustrate the text. The entire collection of 200+ baskets is featured in a separate catalog section. There is information on basket care and display, basketry techniques, and materials used. Limited quantities are available on a first-come basis. Order yours today!

Books can be purchased from the museum or by mail for \$24.95 (member price \$22.46), plus \$5.00 book rate shipping and handling and tax (*reduced S&H rate for multiple copies, please contact museum*). Submit order form and \$27 (members \$24.30) prices include 8.2% sales tax plus shipping if applicable to:
